Custom Design and Exclusive Stand Building

Leading international companies always remember the golden rule of successful exhibiting, and that is that the quality of your exhibition stand reflects the quality of your companies products and services.

Our design team, and highly skill stand builders understand this reality. The process starts with an original and creative design that projects the unique nature of your company. Your top customers will visit your stand, and the design of this stand must reinforce your marketing message.

Professionalism, individual approach to each client and the European quality of our design and installation allows us to show the original style of your company, and to make the stand not only a part of your marketing campaign, but also a convenient and effective working platform.

The Stand building division of TNT Productions, Inc. company offers:

- Design and installation of exclusive exhibition stands "on a turn-key basis"
- Installation of exhibition stands based on the clients design drawings
- Upgrading of simple shell scheme into recognizable national pavilions.
- Rent of the additional equipment, including plasma screens and LCD projectors
- Technical assistance during the exhibition
- Temporary personnel, cleaning of exhibition stands, etc.

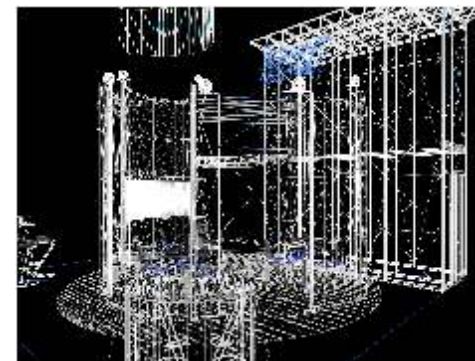

Проектирование и Строительство Эксклюзивных Выставочных Стендов
